Subject: NCSU briefing on GenX exposure study - MEETING HANDOUTS

Colleagues – The attached meeting handouts were received shortly prior to the meeting.... A set of FAQs, a sample of the letter sent this week to study participants, and a sample report that each recipient will receive.

The sample report shows the results for the entire sample set (light blue circles) for each PFAS, along with the median across all samples (yellow triangle). Units are ppb (ng/mL in blood).
